BRUINS WIN THREE OUT OF FOUR GAMES AND GET CHANCE AT CONFERENCE TITLE

Even Split With W. S. C. and Two Straight Wins From Idaho Place Montana Ball Tossers Near Top in the Northwest.

In a series of four games the University of Montana baseball team won three on their recent trip to Washington and Idaho. The victories place the Montana team in the lead for the Northwest Conference championship.

The first game played by the Bruins against Washington State College was lost by a score of 9 to 5. Errors were frequent on both sides. Batteries, Montana, Vitt and Spiller; W. S. C., Moran and Rocky. Kershner was substituted for Walterskirchen in the sixth inning.

The second game was by far the better played and closer. The Bruins took the game by the close score of 4 to 3. In this game Spencer opposed Lewis on the mound and each man kept the hits few and scattered. The winning score came in the ninth inning on a overthrow at home by Lewis. No substitutions were made by either of the teams. Batteries—Montana, Spencer and Spiller; W. S. C., Lewis and Watson.

On the morning of May 23 the Montana team left Pullman for Moscow and that afternoon played the first of a two-game series with Idaho. The game was played under unfavorable weather conditions which made the game slow. Montana players hit the two Idaho pitches freely in this game. Idaho, after a bad start, rallied in the sixth and seventh innings and scored three and four runs respectively. Batteries—Montana, Higbee and Spiller; Idaho, Carlson, Breshear and Fox.

The second game against Idaho was much faster and closer than the first. Hits were scattered. Foran, for Idaho held the Montana hitters to two hits up to the sixth inning, but at that point the Bruins began to play better ball and their frequent hits proved disastrous to the Idaho victory hope. A rally by the Idahoans in the sixth innings put the score at a two to one mark. At this point a decision by the umpire made the game uninteresting and the rest of it was played under the restraint of the indifferent attitudes assumed by the teams. A sprained ankle kept Spencer out of this game and his place at first base was filled by Patterson. Batteries—Montana, Vitt and Spiller; Idaho, Foran and Fox.

The score, first game:	R.	H.	E.
Montana	10	11	3
Idaho	7	10	3
The score, second game:	R.	H.	E.
Montana	5	4	5
Idaho	3	9	6

GRIZZLIES WILL MEET W. S. C. THREE TIMES

Last Conference Games Montana Will Play This Season This Week.

Montana will meet W. S. C. in a three-game series on Thursday, Friday and Saturday of this week. These are the last conference games on Montana's schedule and they promise to be good ones. From what the members of the Grizzlie team say, the old bell in the tower of Main hall will ring three times this week. The team returned yesterday from its western trip with three wins and one defeat marked up. Monday the men had a day off, but "Doc" Schreiber expects to give them several good workouts before W. S. C. arrives.

STUDENTS ATTENTION

Get the Junior prom in your date book for Saturday night, the big open-air dance of the year. Drag out the swell togs for the last big party before the class of 1920 bids good bye to old Montana.

There will be jazz and syncopation by a five-piece orchestra. The H. C. L. suggests that flowers will be out of order. This is strictly a good-time dance. Admission \$2. JUNIOR PROM COMMITTEE

SHEPARD ELECTED A. S. U. M. PRESIDENT

LARGE VOTE POLLED IN STUDENT ELECTION

Pat Keeley Chosen Yell King and Guy Mooney Wins Race for Kaimin Editor.

In a race, which, in the memories of many upperclassmen, surpassed all former contests of like nature in point of interest, the annual A. S. U. M. elections held yesterday, returned George Shepard winner over Harry Adams for the office of president by a majority of ninety-six votes.

The keen interest of the student body was responsible for the heavy vote cast and the result, in most instances, was in doubt until the last few ballots were counted. Students and candidates alike could be seen seated on the steps or hovering around the halls of the Main building, impatiently awaiting the final verdict of the judges.

Ann B. Wilson was elected vice-president over Gertrude Clark in the closest race of the day. Miss Wilson had a majority of six. Ruth Cavin was returned winner for the office of secretary. Guy Mooney was chosen as the next editor of The Kaimin. Pat Keeley was an easy winner in the contest for Yell King, and the two delegates-at-large positions went to Steve Sullivan and Fred Daylis.

The amendment to the constitution (Continued on Page Four.)

UNIVERSITY WILL NOT DEBATE WITH OREGON

Manager Gault Unable to Obtain Date With Pacific School for Next Year.

There will be no debate with the University of Oregon next year, according to a statement made by Mac Gault, this year's debate manager. "Although I have made definite arrangement with the Washington State College at Pullman, and the Montana State College at Bozeman, Oregon's advance schedule is already complete," said Mr. Gault. Montana is also negotiating with the University of California for a debate, but as yet no final arrangements have been made.

This year's work consisted of a debate with Montana State College, which the University won, and another with Washington State College which it lost. The triangular debate scheduled with Idaho and Utah was called off at the wish of the two outside contending parties.

Mr. Gault says that debate followers may look forward to a good season in 1920-21.

GRIZZLY TRACK AND FIELD MEN DEFEAT MONTANA STATE BY SCORE OF 83 TO 29

Sensational Work of Jack Sterling in Sprints and Hurdles Helps Pile Up One-Sided Score; Aggies Hurt by Bachman's Loss.

Another Bobcat team went down to defeat before Grizzly speed and skill last Saturday on Dornblaser field, when Coach Powell's men lost to Bernie Bierman's squad by a score of 83 to 29. The meet was the first one between the state teams on Grizzly ground since 1916.

The features of the day were Sterling's phenomenal sprints and the sensational breaking of the state high jump record by Cates and Pigg, both of the State College. Sterling took four firsts and broke three records in the sprints, winning individual honors in the contest. He also tied the 100-yard record at 10 seconds.

CHICAGO MAN NOTES DORNBLASER'S SERVICE

Father of Montana Athlete Now in France to Locate Son's Grave.

The Rev. T. F. Dornblaser, a man almost 80 years of age, has gone to France alone to find and decorate his youngest son's grave. Corporal Paul Logan Dornblaser of the 6th marines was killed at the Argonne. The old gentleman is now in Paris. I send this (donation) to honor this aged father and his splendid young son.

The above clipping taken from the Chicago Daily Tribune of May 14, is a note under the head of "Many aid fund to decorate A. E. F. graves." This fund was started by the Tribune with the object of decorating the graves of American soldiers in France on Memorial day. Many contributions have been received and the plan seems assured of success.

Paul Logan Dornblaser came to Missoula in 1910 from Chicago. He was already an athlete of national repute, having served as captain of the Englewood high school football team, which had won the world's interscholastic championship and then made a tour of the United States. He entered the University of Montana as a member of the class of '14. Playing Varsity football he was for four years the mainstay of the team, alternating at tackle and fullback. During his last two years on the team, "Dorn" was its captain, and during the four years he played for Montana the Aggies were vanquished each season. He was selected as an all Northwest tackle. He was also a baseball player of note.

"Dorn" was at all times a leader in college life and in his senior year was president of the A. S. U. M. He was a member of Sigma Chi fraternity.

Graduating in 1914 with the degree of bachelor of law he served two years as deputy attorney under Judge F. C. Webster. Shortly after the United States declared war "Dorn" enlisted in the marines. He was in France seven months and went "over the top" many times. He died in France on October 8, 1918, of wounds received while in action on the western front.

Montana's football gridiron was recently named Dornblaser field in honor of his memory.

Naomi Whalen, a member of the freshman class, has withdrawn from the University and will leave for her home in Kalispell this week. She left for home on account of family illness.

The records broken were the 220-yard dash, the 220-yard low hurdles, and the 120-yard high hurdles. Because of the fact that two hurdles were knocked over in the latter event, the record will not stand, officially.

One of the chief causes of the marked difference in the score was the failure of Bachman, the Aggie distance man, to compete. Bachman was declared ineligible a short time before the meet, and his failure to compete was keenly regretted by both State College and University sportsmen. He holds the two-mile record for the Rocky Mountain conference, and was freely conceded the mile and two-mile races in the state meet if allowed to compete.

Cates and Pigg hopped blithely over the stick in the high jump in a manner which made the audience catch its breath, and were not satisfied until they had cleared the bar at 5 feet, 11 1/2 inches. Jack Sterling scampered away from the farmers in the sprints like a rabbit from the hounds, and was closely followed by Sullivan and Romney. In the high hurdles, he was followed closely by Carver.

The two-mile race, in which only three contestants entered, was one of the most sensational events of the day. The race soon developed into a fight between Jacobson of the Grizzlies and Farnum, of the Bobcats. Jacobson took the lead, and was followed around the circuit for seven of the laps by his adversary, who kept his place about five yards behind. The two men kept a perfect stride, and as Farnum's style of running seemed a little less labored, it was feared that he would overtake Jacobson at the end. Jake, however, finished up with a 220 sprint, and took the event with ease.

The summary:
100-yard dash—Sterling, University.
(Continued on Page Four.)

PHARMACEUTICAL FRAT IS COMING TO MONTANA

The installation of Kappa Psi, national pharmacy fraternity which has granted the petition of Phi Chi, the local professional fraternity of pharmacists, will take place before the end of the school year, but at present the exact date is undetermined, according to Merle M. Thompson, vice-president of the campus organization. Word as to the date is expected soon from Dr. E. V. Hendricks of Seattle, Wash., extension officer for the fifth district of Kappa Psi.

Phi Chi was founded in 1916 by a few pharmaceutical students here, but did not formally petition the national, Kappa Psi, until last fall. There are now about 12 members of the local in the University, most of whom were pledged during the autumn quarter. The charter was granted about two weeks ago.

STAND BEHIND THEM

The A. S. U. M. elections are now over and all the students who have been selected represent those in the school in whom the students hold perfect confidence. They are the ones to whom the students have entrusted the sacred—and other—duties of the school and they must have support. Not the I-told-you-so kind, but good, willing, and whole-hearted support. There is exactly as much need for good students and their support as there is need for good officers, therefore the elections reflect the mental calibre of the student body in every respect. The newly elected officers will be what the students make them. If there is to be pep on the campus that pep is to be put out by the students using the officers as mediums through which they work. If the students would have good officers they must be behind those officers in everything they undertake and there can be no faltering for either of them if they have the welfare of the school at heart. The students must act with perfect confidence in their officers and at any and all times respond to the call of those officers when they have need of the students. In other words, the directors of the next school act are selected and the stage is set. It is now up to the actors to get behind, both in mind and body, and play the parts under the coaching and direction of those they have honored as their leaders.

BRUINS ALL

Students at Montana perhaps do not realize that the athletic teams of this year have carried the name of their school into more territories with more success than those of any previous years. The honors they have captured have been of the highest type and the respect they have commanded from the other schools, whose teams they have met in competition, has been the highest. In other words, they have rightfully commanded the respect that has heretofore been reserved for the very best. And they have deserved it, too. Never has the University had men on its teams who more typically represented the spirit of their Alma Mater and who have more successfully defended her honor on athletic fiends than the athletes of this year. And so it is with genuine thankfulness that we can say that all teams that have represented the school in various competitions this year have made good. They are and ever will be, BRUINS.

Society

The members of Pan Hellenic entertained at a breakfast Sunday morning in Greenough park. The tables were decorated with cherry blossoms and evergreens.

Miss Lucille Leyda acted as toast-mistress for the occasion. Interesting toasts were given. Inga Hoem spoke on "The Relation of Pan Hellenic Groups to Each Other." Eunice White-side said that the University is a tie which should bind the non-sorority and sorority girls. Mrs. Lillian Woody read a poem on "The Relation of Pan Hellenic to Academic Life." Mary Farrell said that as organized groups the sororities could do more to influence the voters in favor of the present financial measure than could the unorganized groups. Mary Laux substituted for Helen Little (Theta), who was unable to attend, speaking on "Chums" was sung.

The Junion prom will be held in Greenough park pavilion next Saturday night. The members of the committees promise the best prom ever held by a Junior class.

The pavilion will be tastefully decorated. The side room will be furnished as a rest room where punch will be served to the dancers.

"The programs will be unique," promised Helen A. Little.

"The grand march will start promptly at 9 o'clock. Everyone should be

there on time," said Lambert DeMers, chairman of the Prom committee.

The seniors of the domestic science department entertained with a dinner Thursday evening at New Science hall. Dinner was served by the freshman class in that department. Sweet peas and pink candles were used for decorations.

The seniors present were Marion Leach, Leah Black, Dorothy Powell, Ruth Dana, Gladys Hughes, Josephine Lukens and Flora McLaughlin and the guests were Mary Farrell, Jodie Wren, Marguerite Henderson, Sadie Erickson, Thelma McLaughlin, Horace Barnett, Jewell Godfrey, Miss E. Whitcomb, Miss Sisson, Miss Fee and Mrs. Maxey.

Beta Phi chapter of Kappa Kappa Gamma held its annual formal dance in the Greenough park pavilion, Saturday evening. The active members and alumni acted as hostesses. One hundred and fifty couple attended, including a number of townspeople and faculty members.

MANY BOARD AT DORM INTERSCHOLASTIC WEEK

There were no reserved rooms at Craig hall during track meet, owing to the fact that Craig hall always has more regular applicants than it can accommodate. However, according to Miss Clark, matron of Craig hall, there were about 30 guests of various Craig hall girls. About 45 contestants with their chaperones boarded at Craig hall during the meet.

Freshman Class Largest Ever Registered in the University

The class of 1923, the present freshman class, has enjoyed distinctions and honors not given to any other freshman class registered in the University.

It has enjoyed the distinction of being the largest freshman class ever registered. It was organized and the officers were elected in October. Soon after and before the first football game, the "M" was painted according to tradition. However, a new tradition was begun when the class after painting the "M" lit it with fuses. No other freshman class has done this.

Athletically, the class has been superior to former freshman classes. Due to the large registration this year, first year men were barred from the Varsity football, basketball and baseball teams. Nevertheless, the class had a football team of its own which was the first one ever organized by a freshman class. The team was called the "Cubs." They played the "Kittens" of Montana State College, defeating them in the two games played.

Again, for the first time in the history of the University or the Montana State College, basketball teams representing the freshman classes of the two institutions met at Bozeman on February 16 and 17. About 20 men were out for practice with the University squad. In the first of the two-game series, the Cubs won 16-12. The second game was a defeat for the Cubs.

Eleven men turned out for the Varsity Glee club, which toured over the state.

The annual Soph-Frosh tug-of-war was held on March 20. For the first time since the founding of this tradition, the freshman class was awarded the victory by the Student Council through default.

The men turned out for track and defeated the Missoula high track

SENIORS HAVE CHARGE OF FINAL CONVOCATION

The last convocation of the year and the first convocation of which the seniors have ever had full control will be held Thursday, June 3.

The committee in charge, consisting of Mary Farrell, Margaret Turner and Henry Lamb, has not yet arranged the details, but at that time all senior traditions and privileges will be passed down to the present junior class, which will be depended upon to preserve them next year.

This will not be the last get-together, for Singing on the Steps will be held in the evening.

team 84 to 47, May 4. The victory was not unexpected but the overwhelming score was the feature of the meet.

No baseball team was organized, but two men of the freshman class through their war credits were eligible for the Varsity squad.

The "M" was painted again, the afternoon of April 29th. During both times the "M" was painted the girls of the class prepared the lunch.

Through all the contests the class has shown good spirit. It is hoped that this class may go on with such a record during the next three years.

PUPILS OF ABERNATHY GIVE RECITAL THURSDAY

The pupils of Austin Abernathy, instructor in voice, gave a recital in University hall Thursday evening. Mrs. Hugh Forbis was the accompanist.

The program was as follows: Clark's "A Bowl of Roses," Elvina Stark; Lyne's "Spring Song," Lenore St. Germaine; Nevin's "Little Boy Blue," Helen Bevier; Vannah's "Good Bye, Sweet Day," Esther Roth, accompanied with the cello by Eleanor Harvey; "Kjerulf's "All About You," Lenore Walpole; Lehmann's "Roses After the Rain," Faye Collins; Macheroni's "For All Eternity," Lila Hansen; Joyce's "Little Boy Blue," Edna Peppard; Brigg's "All About You," Nettie Kylo; Piccolomini's "The Link Divine," Elizabeth Morris; Mayhew's "The Shoogy Shoo," Volberg Embretson; DeKoven's "For This," Vivian Shutt; Burleigh's "Jean," Ruth Hartley; Bohm's "Calm as the Night," Alice Sandholtz; Caro Roma's "Doubt Not," Geraldine Galvin.

Which Is the Best Short Story in THE MONTANAN

Buy a copy of the Montanan at the A. S. U. M. Store and find out. Drop Ballot in the first convenient box.

GENERAL PROMOTIONS ARE MADE IN R. O. T. C.

E. M. P. Keeley Is Cadet Major;
O. E. Coffee Is Adjutant and
First Lieutenant.

Due to the appointment of a cadet major and to the withdrawal from school of Cadet Adjutant Dirmeyer, a general promotion has been made in the R. O. T. C. officers staff.

The appointments are as follows:
To be cadet major, Captain E. M. P. Keeley.

To be first lieutenant and adjutant, Second Lieutenant O. E. Coffee.

Company A.

To be captain, First Lieutenant W. Walterskirchen.

To be first lieutenant, Second Lieutenant S. Ballard.

To be second lieutenant—First Sergeant R. J. Gove.

To be first sergeant, Sergeant H. E. Mayer.

To be sergeant, Corporal H. C. Carver.

To be corporals, Privates W. O. Cogswell and C. A. Porter.

Company B.

To be second lieutenant, first sergeant, L. A. Madson.

To be first sergeant, Corporal O. W. White.

To be corporal, Private R. D. Keith.

Band.

To be band leader, R. E. Jackman.

To be sergeants, D. L. Peavy and W. Wilson.

To be corporals, H. M. Parsons, A. C. Olson and C. Farrington.

Make \$1,000 a Month

GRIZZLY CINDER SQUAD READY FOR BIG MEET

Montana Men Will Enter All But One Event at Conference Meet.

Nine men have been picked to represent Montana at the Northwest Conference meet at Pullman next Saturday night. When No. 1 pulls out Thursday night for the west, Sterling, Sullivan, Dahlberg, Baker, Jacobson, Carver, Hodson, Spogen and McGowan go to take part in the big meet.

This will be the program unless Coach Bierman receives word that trial heats in the dashes and hurdles will be run off on Friday afternoon. This information will be forthcoming when the entries from the different schools have been classified. Teams from Oregon Agricultural College, University of Oregon, Willamette University, Whitman College, University of Idaho, Washington State College, State University of Montana and possibly University of Washington will have entries.

Montana's entries will take part in every event but the mile. Grizzly hopes have been substantiated by the excellent showing made in the dual track meet with the Aggies last Saturday when three state records were broken by members of the team and time made that indicates assurance of places in a number of events. Sterling made his runs in the 100, 220 and high and low hurdles in time that makes the prospect of his winning those events highly probable. He may not compete in the 220-yard dash, however, as that race is scheduled to come off directly following the 120-yard high hurdles.

Sullivan has been crowding Sterling in the dashes and has made them in very fast time, so that he may be counted on to place in them. Sullivan will be in fast company in the 440, as several of the schools will have entries that have made the distance in close to 50 seconds, but Steve has not done his best yet and may spring a surprise. Baker is getting better every day in the half and a prediction that he wins points should not be far from justification. This is McGowan's first year at the conference and he is meeting some good men, but if he throws the weights in Pullman as well as he has here he should place. Spogen has improved his distance in the broad jump and will be taken with the team for that one event.

Montana's entries for the meet are:
100-yard dash—Sterling, Sullivan.
220-yard dash—Sterling, Sullivan.
440-yard dash—Sullivan, Dahlberg.
880-yard dash—Baker.
2-mile run—Jacobson.
High hurdles—Sterling, Carver.
Low hurdles—Sterling.
High jump—Hodson, Carver.
Broad jump—Hodson, Spogen.
Pole vault—Baker.
Shot—McGowan.
Discus—McGowan, Carver.
Javelin—Carver.
Mile relay team—Sterling, Sullivan, Dahlberg, Baker.

MONTANA MAY ENTER BIG TENNIS TOURNAMENT

Whether or not Montana will be represented at the tennis tournament to be held in conjunction with the Northwest Conference track meet at Pullman, Wash., May 29, has not been decided. John Patterson, '20, is the only letter man in tennis who is at present attending the University.

Due to the fact that the men who would represent the Grizzlies would be forced to do so with little or no practice, it is thought probable that no team will be sent. According to Mr. Patterson, there is plenty of tennis talent in school but there is not sufficient time in which to get the men into proper condition. It is expected that the matter will be definitely decided tomorrow.

Duffy Can Sprint But an Anthropol Shows Him Tricks

The sun was shining bright, no clouds were in the sky; Elrod's class went hiking to watch the insects fly, and see the trees all budding and hear the birdies sing, and take all observations on the beauties of the spring. They caught all kinds of bugs and things and picked all kinds of leaves, and then assembled at the swings, to enjoy the Greenough breeze. But Duffy turned up missing, he wasn't with the bunch, his absence seemed unusual—he knew there was a lunch. So men began to worry, and girls began to cry, while Duffy was pursuing a vampish butterfly.

Now Duffy is a sprinter, he certainly can run, for in the Freshman-High School meet each race he ran he won; but when it comes to chasing the dainty butterfly, he has no chance at all for first—he cannot even tie. The insect flitted through the brush and out upon the flat, and Duffy was tearing after it and tried to use his hat; over hill and coulee the two did gaily chase, and beads of perspiration ran down poor Duffy's face. Back to the brush they doubled, the bug went through the trees—Duffy went sprawling in pursuit and loudly skinned his knees. He barked his shins, he tore his pants and badly ripped his shirt, and in his ears and eyes and hair were clumps of nice rich dirt. So while he sat and cleaned his ears, he swore he'd never go, to chase an Arthropod again and be tormented so.

MORAL

Not only "insect" butterflies torment the young men so, but also "social" butterflies, the flashy kind that know the way to vamp the fellows and keep them on the run, and then at last forsake them—stay clear of both, my son!

BATEMAN SAYS AWARDS OF MANY PRIZES MADE

Three sets of prizes have been announced by Professor William G. Bateman. They are the 1904 class prize, awarded to Harry E. Watson in general psychology; the prize offered by the Butte chapter of the D. A. R., awarded to Elva Burt in American history; the prize for efficiency in pharmacognosy, awarded to Stanley W. Curtis; in manufacturing pharmacy, awarded to Sam M. Harshfield, and in commercial pharmacy, awarded to C. W. Folkestad.

The 1904 class prize is given from a fund established by that class. Its members in rotation name the "particular excellence for which the prize shall be given." Last year the prize was won by Lucille Jameson in history.

ALL-STAR CO-ED TEAM PICKED BY MISS LEYDA

The all-star co-ed baseball team has been picked by Miss Lucille Leyda, director of women's athletics, as follows: Pitcher, Solvay Andersen, Alpha Phi; catcher, Alice Sheedy, Town; first base, Bonna Pearsall, Craig hall; second base, Jewell Godfrey, Delta Gamma; third base, Irma Wagner, Kappa Alpha Theta; right shortstop, Marie Hopkins, Kappa Kappa Gamma; left shortstop, Alma Burkhardt, Delta Sigma Chi; right field, Esther Nelson, Town; left field, Elsie Thompson, Delta Sigma Chi; center field, Pearl Degenhart, Craig hall; substitute, Pearl Hefferlin, Out-of-Town.

"The picking of the team this year was very difficult," said Miss Leyda, today. "With all teams playing at the same time, it was impossible for me to see much of the playing. There were many more good players this year than last year."

FINAL GAME OF SERIES IS WON BY SIGMA CHI

Sigma Chi was victorious over Iota Nu in the final game of the inter-fraternity baseball series last Friday afternoon. The game was very ragged, the score being 10-5.

Sigma Chi will be awarded a permanent pennant and one leg on the 12-inch Stall & Dean cup. This cup will be awarded to the first team winning the championship for three years.

Sport Froth

A couple of the timers at Saturday's meet caught Sterling at a trifle better than 10 seconds in the century.

Sterling's work last Saturday indicates that Montana has a sprinter who compares favorably with any in the west.

His performance of winning two sprints and two hurdle races in record-breaking time, following this with a 440 run in 53 is the best of its kind to be seen on Dornblaser field.

Harry Adams expected to run the 440 Saturday but pulled the tendon that has been bothering him all spring Friday afternoon. He will be unable to don the spikes again this year.

A diminutive safety pin might have helped Jacobson to a win in the mile run Saturday. His newly acquired track pants began to desert him in the last lap and prevented him from catching Finley, the Aggie miler.

The performance of Pigg and Cates, the College high jumpers, in breaking the state record, was one that met with applause. Pigg holds the state record and Cates tied him for it, Pigg having made the jump first.

JOURNALISM FRAT ELECTS

At a recent meeting of the local chapter of Sigma Delta Chi, national honorary journalism fraternity, the following officers were elected: Guy Mooney, president; Ronald Kain, vice president; Harry McNutt, secretary

CO-ED TRACK MEET WILL BE FEATURED BY RELAY

Council Decides on Inter-Class Not Inter-Organization Event For This Year.

Plans for the co-ed track meet were discussed at a meeting of the Women's Athletic Council last Thursday. The meet will be held June 3.

It was decided that this year the track meet should be inter-class instead of inter-organization as heretofore. The feature of the meet will be the relay race. Other events will be the 25-yard, 50-yard and 100-yard dashes, hurdles, shot put, javelin throw, high jump, broad jump.

Each girl taking gymnasium will be required to enter in three events. Credit will be given for practice in place of regular gymnasium work.

SIMPKINS HALL HOLDS LAST MIXER TONIGHT

Simpkins hall will hold its first annual farewell party Tuesday evening. The party will be for the members of the club only, and the entire balance in the treasury will be lavishly expended for eats and merriment. Boxing and wrestling contests are on the program, and musical talent will be utilized to make the party a success.

"No effort will be spared to give the boys a good time from the balance of the hard-earned dues paid into the treasury for the past three quarters," said President William Johnston of the club.

STUDENT OF UNIVERSITY
DIES AT ST. PATRICK'S

Mrs. Arla Belle Hall, a student at the University since the beginning of the winter quarter, died at St. Patrick's hospital Saturday afternoon after a two weeks' illness. Mrs. Hall had been taking post graduate work in the school of forestry and was the only woman in the school.

Her husband's mother, Mrs. John Hall of Columbia Falls, was in Missoula from Tuesday, when an operation was performed on her daughter-in-law in hope of saving her life, until the young woman's death. It was a great shock to the many friends of the deceased, who had learned to respect and love her in the short time she was here.

Arla Belle Stevens was born in Rockland, Mich., 28 years ago. She graduated from the University of Michigan and became teacher of Latin and German in the Columbia Falls high school. She married Robert Hall of Columbia Falls, who died May 6, 1919, at Camp Russell, Wyo., soon after his return from service in France with the 91st division.

Mrs. Hall's parents, Mr. and Mrs. Stevens of Rockland, Mich., her parents-in-law, Mr. and Mrs. John Hall of Columbia Falls and two brothers-in-law, John Hall, Jr., and Oliver Hall, also of Columbia Falls, survive her.

Burial will take place at Columbia Falls but definite arrangements for the funeral will not be made until the arrival of the mother, Rachel Jordan, a University student who was Mrs. Hall's roommate in Craig hall and a former pupil of the deceased, has gone to Columbia Falls for the funeral.

GEORGE SHEPARD WINS
A. S. U. M. PRESIDENCY

(Continued From Page One.)

of the A. S. U. M. providing for a University board on athletics and a graduate manager of A. S. U. M. activities, passed overwhelmingly, there being but six dissenting votes.

Mr. Mooney outlined his policy as Kaimin pilot and as a member of the Student Council. He said: "My one understanding aim will be to turn out the best paper possible. My staff will be appointed at the opening of the fall quarter from upperclassmen and sophomores who have in the past shown interest and ability in journalism. If students outside of the school of journalism desire to enter this line of activity I shall be very glad to consider them for the reportorial staff. The editorial policy of any newspaper must change as conditions change. Above all it must be progressive and abreast of the times."

Pat Keeley said: "You might tell the student body that I am very grateful for their support and I will try and give Montana a chance to show its spirit on all occasions."

The result:

BOZEMAN SENIORS SET
RECORD IN GRADE POINTS

Chancellor Elliott Will Open Aggie Commencement
June 13.

Bozeman, Mont., May 24.—The class of 1920 at the Montana State College here includes the greatest percentage of honor students ever graduated in one class at this institution. With a total membership of 54 in the class, nine are graduated with honors. To graduate with honors from Montana State College, a student's points must be two and one-fourth times as many as his credits. Credits are based upon all work in which passing grades are received, while points are figured on the different grades received in the various quarters of each school year.

Commencement week at the State College will open with the baccalaureate services at the Presbyterian church on Sunday, June 13. The baccalaureate address will be made by Chancellor Elliott. Senior class day and visitors' day will be on Monday, with a musical recital in the evening by the college music department. The president's reception will be held on Tuesday evening at Hamilton hall. The twenty-fourth annual commencement exercises will be held in the municipal opera house on Wednesday morning, June 16, beginning at 10:30. The commencement address will be by George Irving Christie of Purdue University. The alumni banquet will be held at 6:30 the same evening.

Mrs. W. L. Collins of Anaconda spent the week-end visiting her daughter Fay, at the Delta Sigma Chi house.

Man Who Mows Campus
Gets Lots of Exercise

How far does a man walk when he mows the campus? A. DePirro, the official pusher of the lawn-mower, states that it takes six hours of steady work to run over the oval alone. He walks at a rate of about two miles an hour, so in cutting the grass on the oval he walks 12 miles. It takes three days to go over the entire campus. At the rate of two miles an hour for three days he travels 48 miles. He must cut the grass once every week. This means that if he traveled in a straight course, he would push the lawn-mower as far as Hamilton every week. Now he must do this for the entire summer, so that by the time school begins again next fall, A. DePirro—if he stays with the job—will have traveled as far as Seattle and back.

MEMBERS OF FACULTY
WILL ADDRESS SCHOOLS

President E. O. Sisson will address the high school graduating classes in Troy, May 25, Libby, May 26, and Columbia Falls May 28. Dr. N. J. Lennes, professor of mathematics, will speak at the commencement exercises of the Corvallis high school May 27, and Dr. John X. Neuman, assistant professor of biology, will deliver the address to the graduating class of the Columbus high school May 28. A University faculty member will make the address at the graduation exercises of the Alberton high school May 27, but arrangements are not yet complete.

John Southwick spent the week-end at his home in Hamilton.
